Re: *Vuppala v. Uber Technologies, Inc.*, Case No. 15-CV-6247 (TPG)

Dear Judge Griesa:

As the Court is aware, we represent Defendant Uber Technologies, Inc. ("Uber") in the above-referenced matter. In accordance with Your Honor's September 23 minute order, we write to notify the Court that the parties' settlement discussions have reached impasse.

In light of this development, and as detailed in the parties' prior Joint Rule 26(f) Reports, Uber intends to move to compel Plaintiff to individually arbitrate his dispute at the earliest practicable time after the stay of proceedings in this matter is lifted. It is Plaintiff's position that the alleged arbitration agreement is unenforceable, as was recently opined in this SDNY by the Honorable Jed Rakoff in *Spencer Meyer v. Travis Kalanick*, Case Number 1:15-cv-09796 (SDNY). Defendant contends the *Meyer* decision, which is currently on appeal, is legally incorrect and factually distinguishable. Accordingly, the parties anticipate that the primary factual and legal issues in the preliminary stage of this case will revolve around whether the parties are bound by an enforceable arbitration agreement.

With respect to litigation and discovery deadlines unrelated to Uber's anticipated motion, the parties propose the following:¹

Civil Case Management Plan Requirement	Date / Deadline
Initial Disclosure pursuant to Rule 26(a)(1), Fed. R. Civ. P. to be served no later than:	1/16/2017

¹ As discussed in the parties' September 16 Rule 26(f) Report, Uber's agreement to participate in preliminary discovery, including the exchange of initial disclosures, is subject to the parties' understanding that Uber's participation in this process is without prejudice to its position that the case must be resolved in arbitration, and on an individual basis.
